

This Fine Family Keeps Well By  
Taking Father John's Medicine

No healthier family than the De Youngs can be found in Paterson. Just recently Mr. De Young said, "About eight years ago I had a very bad cold and nothing gave me relief until I took Father John's Medicine. I have four children and when they have a cold we give them Father John's Medicine and it helps them right away. Last year I did not have a doctor for any of us. (Signed) Tico De Young, 5021st Avenue, Paterson, N. J."

Father John's Medicine is called the greatest body builder because it is all pure food which builds new flesh and strength.—Advertisement.

#### COURT VACATES OWN ORDER

Strikes Off "Judgment Affirmed" in Bennington County Case.

Montpelier, Feb. 14.—The Vermont Supreme Court reconvened at 9:30 this morning after the weekend recess. Judge Chief Justice John H. Watson directed the clerk to strike off the judgment affirmed in the Bennington county case of the Vernon company vs. Arthur J. Merchant et al directing the clerk to notify the attorneys that the reason for the order of "judgment affirmed" was that at attorney for each party had paid no attention to the case of late. The court directed that briefs be filed by the applicant by April 1, and the defendant's brief within 20 days from that time.

The arguments were made in the Essex county case of G. P. Tarbell vs. Grand Trunk Railway company, in which the plaintiff was a servant, of the defendant. The case has been twice in the higher court. The first time in the lower court the plaintiff got a verdict of \$7,000, but the verdict was set aside and the case came to the higher court on exception.

On the second trial a verdict of \$4,000 was given the plaintiff and the case comes to the higher court again but on exceptions of the defendant.

### It Stays Put

After Sheetrock is nailed to the studs or joists, it stays put as long as the building stands. Sheetrock walls and ceilings can not warp; they can not shrink or buckle; and they are fireproof—because Sheetrock is made from rock. Whether you are planning on remodeling the old home or building a new one, you will certainly first want to inspect Sheetrock.
